~Family Social Event ~Fundraiser for DSF ~Performance opportunity
~Good exposure/PR for the Choir

Details:

- \$25 discounted presale tickets will be sold by students (they cost our organization \$15 each but we are selling them for \$25),
- Face value of the ticket is \$35 plus \$5.50 in service fees if bought elsewhere so it offers a savings of \$15.50 per ticket by purchasing through us.
- We will all be seated as close together as possible in the lower level corner (sections 115 and 116) based on ticket availability at the time of purchase when our presale ends.
- Students who sell three tickets will get their ticket for free and earn \$15 DSF profit.
- Any tickets sold beyond the first three will earn an additional \$10 profit each.

-So if Johnny sells three (3) tickets to his Mom, Dad, and Brother- he pays \$75 and receives 4 tickets and \$15 DSF profit.
-If Suzi sells five (5) tickets to five of her friends- she pays \$125, she receives 6 tickets and \$35 DSF profit.

Timeline:

- Sale begins now and runs until November 30. Students turn in one check payable to DHSMPA for the entirety of the ticket order. No late orders will be accepted.
- Tickets will be available for pickup at the Winter Concert on Friday, Dec. 7.
- December 8 through 14- Students distribute their own presale tickets.
- December 15- everyone arranges their own transportation to and from the game at Wells Fargo Center.

Logistics:

The choir students will perform the National Anthem at the game. We will meet inside the 11th street doors (side facing Lincoln Financial Field) as soon as they allow the crowd to begin entering.

Any choir member who wishes to may just purchase a single performer ticket for \$15 to share in the experience although no DSF profit will be earned (given that they carpool with another parent who is going). You may purchase up to three tickets in this manner although it is each participating choir member's goal to sell at least three tickets plus their own. This is a family social event facilitated by MPA. Choir students are not required to participate. Parents are responsible for providing their own transportation and supervision (feel free to carpool with a parent or take the train with a parent). Students will not be permitted to drive or travel on the train alone. Parents should use their own discretion to determine if it is safe to travel in case of inclement weather. However, the tickets are non-refundable.
